### HAPPY NEW YEAR.

We cordially greet our readers with this familiar phrase. Since we used this expression last year we have been a great traveller. We have been some three hundred sixty-five times around the earth; amounting to nearly one hundred thousand miles! More than this, we have made a very long journey also around the sun, amounting to the enormous distance of five hundred and fifty millions of miles more

rection and at different rates of speed, we Taking this element into the accountry dinary event in the annals of modern recourse or mar our pleasure. Once, last summer, a great scare was which is gratifying of course.

created among our passengers by the ap pearance of a swift moving cartt with a the scholars and the teacher of that decross our track, and which excited the fears So are we. So are all considerate citizens. other Christian land, the first company of of many that a catastrophe would occur. Bloomfield feels justly proud of its fine missionaries sailed from Boston for the But we never got any nearer to it and after public schools and of its well taught 1820, and were welcomed by the King and many days it disappeared altogether. high school department. Now we earnest the chiefs, who were without religion, Then again, only a few days since, a re- ly hope that every scholar in that depart and waiting for one to come! They heard markably freight car; actually did cross ment will be determined that it shall not the word and believed. And from that our track near enough to shade some part be his absences that will bring discredit time to this the Christian religion has preof our train.

We arrived safe at twelve o'clock last night, and now, deferring any details of the sights and scenes which have exhilara and on which we may have some tions to make hereafter, here we are the First Number of the Fourth Vol of the GAZETTE in hand, and our sin st wishes for you, dear reader-A HAPPY NEW YEAR!

# A SILVER WEDDING.

On Christmas Day a worthy couple our acquaintance gathered a goodly anpany of kinsfolk and attached triends in wedded pair of a quarter of a century Paristia, met their cruel fate." rose to renew their connubial yows, the As we drew up to the station of Ferrara,

'Tis now just five and twenty years, Since we, kind friends, consented To link our destinies in one, And thus move on contented.

We came to this most wise resolve With calm deliberation; The motion was: "Resolved that we Do change our situation. The question put, we voted AYE!

Unanimous, 'twas carried, And then another vote was had -Resolved that we be married." Twas carried, like the former one-In neither case relenting-Twould be a law and put in force,

The Upper House gave its consent Their judgment we regarded As good, humane, and tru y just, With wisdom interlarded.

The Upper House consenting.

Full well we knew, of course, that we Would meet with many a sorrow, But faith we had, that couds to-day We've passed o'er rocks and ledges,

But thanks to Providence, we both Have kept our mutual pledges. And new our hair is turning gray. We feel we're young no longer; But still the faith each had in each, Is growing but the stronge

These five-and twenty years have not For life is fraught with good and ill— We need no trouble borrow.

No family jars have marred our peace Though jars have oft been broken, Nor crockery smished in such a way As would a row betoken.

Our cabinet a unit's been,. No brawling or contention; No differences have e'er occurred That would be worth the mention.

at we will not detain you now, By jingle-ing narration Of the ups and downs of our career In marital relation. We welcome you, this Christmas day,

Your presence gives us pleasure, May health and peace be ever yours, And blessings without measure. We trust that all who with us meet May hail their five and-twenty,

And in the interim may have Content and peace and plenty. That each may live to celebrate A glorious golden wedding,

With thankful hearts, and health an strength Their blessings always shedding. Long may you live, and then at last, When earthly cares shall end, May you enjoy a blissful rest

# VERONA.

And joys that ne'er shall end.
